Youth Sizing Chart

The chart features two light blue silhouettes of a female and a male youth figure. The female silhouette is on the left, and the male silhouette is on the right. The size labels 'L' and 'XL' are positioned above the silhouettes, with 'L' centered over the female and 'XL' centered over the male. The height and chest measurements are listed to the left of the silhouettes, with '49"' and '53"' aligned with the female silhouette and '32"' and '34"' aligned with the male silhouette.

	L	XL
HEIGHT	49"	53"
CHEST	32"	34"

Note: This chart was created to help give our customers the general length and width in relation to average body sizes. To select your size use your chest measurements as the primary sizing metric.
